Thanks, Charles. I have read and accept Navy's responses to EPA's comments. Please let me know if you need something further in writing.

Is the purpose of the conference call to discuss Navy's responses in general or mainly to make sure that the RAP requirements are being met by the proposed plan?

I just got word that I can sit for the exam - such an incredible relief!

Christine

Hi Christine,

They were mailed out on March 7th. I've scanned them and attached them to this email, incase you didn't receive your copy.

I hope your studying is going well.

Charles

Subject: Sites 30 & 31 PP RTC Conference Call

Team,

I'd like to set up a conference call to go over the Navy's response to
comments on the Sites 30 & 31 PP/draft RAPs. The goal being to take

care of any remaining issues so that the documents can be finalized and the public meeting can be held the hour before the April 15th RAB meeting. I'd like to propose Thursday, March 20th at either 10am or 3pm. Please let me know what time works best for you. Once the time is selected I will send out an email with the conference call information.

Thank you,
Charles Perry, PE
